Assessment of Play Areas

There continues to be a small shortfall in childrens play space in the parish. The play area at Ray's Farm was recently refurbished but still has insufficient equipment and should be further upgraded to LEAP standard. Lower Upham warrants its own equipped play area, to LEAP standard.

Deficiencies: Land, distribution, quality, standard.

Improvements Proposed: Upgrade play area at Ray's Farm to LEAP standard. Provision of LEAP to serve Lower Upham. Improvements to car park, fencing and landscaping at Ray's farm Recreation Ground.

Assessment of Sports Grounds

The Parish has adequate sports ground provision. Private cricket facilities at the Flamingo's Cricket Ground contribute to the district sports provision. The pitch at Ray's Farm is in good condition although, in terms of size, it only just meets league standards. Changing facilities are now much improved with the completion of the new pavilion although it needs finishing off with car park improvements.

Deficiencies: Standard.

Improvements Proposed: Car park improvements to new pavilion at Rays Farm Recreation Ground.
