

Question 1b. If you disagree with this vision, please give examples of what should be included in an alternative vision

<b>Customer Reference</b>	<b>Name</b>	<b>Comment Reference</b>	<b>Agent</b>
00007	Cheriton Parish Council	00007/00001/002	
Central government should use the LDF to support other less economically successful areas.			
00009	Compton And Shawford Parish Council	00009/00001/002	
But add "preserving" to "promoting and enhancing the District's historical townscape and wider rural landscape".			
00010	Corhampton And Meonstoke Parish Council	00010/00001/002	
Whilst the vision presents admirable objectives it is unclear how the LPA can deliver those elements of a sustainable solution that lies outside its powers.			
00016	Hambledon Parish Council	00016/00001/002	
Suggest alternative wording after 'transport and other services', remove "whilst". Start new sentence as follows: 'Protect and enhance the District's rich historic towns, villages and rural landscapes'. Also to reduce carbon emissions and plan against climate change.			
00023	Littleton And Harestock Parish Council	00023/00001/002	
I cannot see how new enterprise can enhance the wider rural landscape although I agree with the first sentence.			
00025	New Alresford Town Council	00025/00001/002	
The vision section New Enterprise could be better worded. Improving energy efficiency etc on housing and industry is also required in addition to new enterprises, to produce sustainable solutions.			
00029	Otterbourne Parish Council	00029/00001/002	
The vision is reasonable, but needs to go further adding: 'A special place, residents have pride in the cathedral city, which is the ancient capital of Wessex'.
