

Winchester District Local Plan Part 1 - Joint Core Strategy

Proposals Map Schedule of Changes

1. Introduction

1.1. This document sets out the proposed changes to the proposal map of the Winchester District Local Plan Review (Adopted 2006) (WDLPR) that will be implemented through the policies in the pre-submission Local Plan Part 1 – Joint Core Strategy. This document identifies:-

- Policies from the WDLPR which are being retained
- Policies from the WDLPR which will be replaced by new policies in the Local Plan Part 1 – Joint Core Strategy
- Policies deleted from WDLPR

New Strategic Allocations and Opportunity Areas are shown on the relevant policy maps within the Local Plan Part 1 – Joint Core Strategy document.

1.2. The Local Plan Part 1 – Joint Core Strategy will only replace part of the WDLPR once adopted, the tables below listed those WDLPR policies that will be retained, replaced or deleted.

- [Table 1](#) lists the WDLPR proposals map (including inset maps) and sets out which policies shown in each of these maps will be retained, replaced, not saved¹, or deleted.
- [Table 2](#) sets out the changes to the policies shown on the Key Sheet from the WDLPR.
- [Table 3](#) shows the changes to the policies shown on the Key Sheet from the WDLPR which may apply a) within the settlement boundary area of Local Plan 2006 policy H.3 and b) outside the settlement boundary area of Local Plan 2006 policy H.3.

1.3. In addition, the following externally derived data are also mapped and form part of the proposals map for the Local Plan part 1 – Joint Core Strategy and can be found at the end of this document:-

- Proposals Map - Minerals and Waste Sites (based on Policy S15 Hampshire Minerals and Waste Core Strategy 2007 and Policy 21 from the Hampshire Minerals and Waste Local Plan 1998).
- Proposals Map - Nature conservation designations (based on information from the [Department for Environment, Food and Rural Affairs](#) and [Hampshire County Council](#)).
- Proposals Map - South Downs National Park Boundary.

¹. Policies not saved from 2006 Local Plan

². Policies which are retained will continue to be 'saved' as statutory planning policies until replaced by future Development Plan Documents
