

Statement of Community Involvement

Applications may need to be supported by a statement setting out how the applicant has complied with the requirements for pre-application consultation set out in Winchester City Council's [adopted statement of community involvement](#) and demonstrating that the views of the local community have been sought and taken into account in the formulation of development proposals. Further guidance on Statements of Community Involvement is available in [Planning Policy Statement 12: Local Spatial Planning](#) which replaces *Creating Local Development Frameworks: A Companion Guide to PPS12* (November 2004).
