For Guidance

- 1 Those applications which have a **star** by them are FOR INFORMATION PURPOSES ONLY. Please see over for a list and description of application types.
- 2 If the **Grid Reference** is blank, this is because it is a property which is in the process of being entered on the Property Database for the District.
- 3 The Conservation Area only appears where the application is known to be in a **Conservation Area**.
- 4 Where the application has not been allocated to a case officer, "Team Manager " for the relevant area appears instead.
- 5 The **Publicity Period** is 21 days after the Site Notice Date or 21 days after a Press Advert date, where this has been made, whichever is the later. Applications may be determined after this date.

If you require any further information, please enquire at Development Services Reception, Avalon House, Chesil Street, Winchester, SO23 0HU quoting the Case Number. We will then be able to give you the current status of the application. We are open Monday - Friday 8.30am - 5.00pm.

Unfortunately, we are temporarily unable to quote a 'W reference number' on this list. I apologise for the inconvenience this may cause.
