REASON FOR THE DECISION AND OTHER ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

Grants from the Small Grants Scheme are made four times per year. All applications for grants were considered by the relevant Portfolio Holder who received advice from

the Partnership and External Funding Officer and other relevant officers as appropriate.

The decision on the following applications for a **Biodiversity Grant** was deferred:

Bishops Lane Trust – this application was deferred because it is not completely clear that this group is a not for profit community group or that the project is primarily focused on biodiversity.

West Meon Parish Council – this application was deferred because it is not clear that the main aim of the project is to improve biodiversity.

The following applications were not approved:

Hampshire Partnerships NHS Trust – this application was not supported as this organization is a statutory body, has a high level of reserves and the project does not specifically benefit Winchester District residents.

Stoke Charity & Hunton Playing Fields – this application was not supported as the group does not currently have any formal constitution, there is no evidence that the children and young people who will be using this facility have been consulted, they have not made any links with the District Play Strategy, and there is no evidence of any other funding in place.

FURTHER ALTERNATIVE OPTIONS CONSIDERED FOLLOWING PUBLICATION OF THE DRAFT PORTFOLIO HOLDER DECISION NOTICE

Note – in accordance with the Scheme of Delegation to Portfolio Holders (Section 3 of the Council's Constitution), the Portfolio Holder for Heritage, Culture and Sport (Councillor Stallard) has been consulted on the grants.
