City Council

Application for Approval of the Height of Chimney(s) Serving Furnace(s)

Once complete please return this form to:

*Environmental Protection Section
Communities Directorate
Winchester City Council
City Offices
Colebrook Street
Winchester
SO23 9LJ*

Applicant's details

Full name and address of applicant -----

Postcode -----
Home telephone No. -----
Work/Mobile No. -----
Email -----

Address of premises where the chimney(s) will be constructed (if different from above)

Address of premises -----

Postcode -----
Grid Reference -----

Brief description of proposed works

Category under which chimney height approval is being sought

Construction of a new chimney	<input type="checkbox"/>
Increase in combustion space of existing furnace	<input type="checkbox"/>
Replacement of furnace by one having a larger combustion space	<input type="checkbox"/>

A fully worked calculation of the chimney height must be provided using the methodology specified in HMIP Technical Guidance Note (Dispersion) D1 – Guidelines on Discharge Stack Heights for Polluting Emissions ISBN 0-11-752794-7.

Please list all attachments submitted to support chimney height calculation. This should include a site map showing heights of adjacent buildings, description/rating/fuel consumption of furnace and sulphur content of fuel proposed.
