

Comments on Schedule of Proposed Modifications.

23<sup>rd</sup> July 2012

**Comments by John Hayter respondent 20148.**

All are no comment except for mod numbers:

Mod 4 – Reference to transitional arrangements needed?

Mod 23 – *“is sustainable location for growth and change.”* is said only of Winchester Town. ie all the other spatial areas are not sustainable? Amend to read *“is most sustainable location”*.

MTRA area. Amend to read *“remain viable, with sustainable access to the services and employment they need”*.

MOD 35 – Amend to read *“about 56,000 movements per day”*. Add new objective *“Increase the proportion and length of commuting and other movements made by non-car modes”*.

MOD 46 – Correct to read *“over a 13 year period”*

MOD 68 – Welcomed but amend to read *“identified as District Centres with Defined Town Centres”*

MOD 71 – Amend to read *“sustainable access to services and employment they need.”*

MOD 88 – Leave 2<sup>nd</sup> *“maximised”* unchanged.

Add provision for self-build.
