Dear Sir or Madam,

**Winchester District Local Plan Part 1 - Joint Core Strategy  
Public Examination**

During the hearings of the Winchester District Local Plan Part 1 – Joint Core Strategy a number of further modifications were proposed by Winchester City Council. A list of these modifications has been included with this letter. A new track changes version of the Plan (Version 3) which will incorporate these changes will be produced shortly. This will be published on the website below and will be available to view, by appointment, in the Council offices.

All respondents who made a representation at the pre-submission stage of the Plan now have an opportunity to comment, in writing, on these further modifications **only**. These comments will be taken into consideration by the Inspector when writing his Final Report. The Report is currently scheduled to be published by the end of January 2013.

If you wish to comment on the modifications please send one electronic copy and three, unbound, hard copies of your comments to me at the above email and postal address to arrive no later than **12:00 midday on Monday 24<sup>th</sup> December**. Please ensure that your comments are clearly marked with your name and respondent number at the top and with the proposed modification reference number on which you are commenting.

Also included with this letter is a note on housing needs as requested by the Inspector during the hearings. (OD43)

Yours faithfully
