Subject: South Wonston Village Design Statement

Good Afternoon

Just would like to make a couple of comments on the South Wonston VDS please.

There are some excellent points on this plan, but I am concerned that there is no provision for community places of worship for persons that do not use St Margaret's Church. It has I think been flagged up already, noting the lack of a cemetery in the area. Perhaps the two could be tied in together.

If positioned on the outskirts of the village it could be of benefit to the wider community too, not only South Wonston.

Hope this helps

Cheers

Cam
