Re: Community Infrastructure Levy (CIL) Draft Charging Schedule - Submission

Thank you for your letter/e-mail of 26 July concerning the above submission. The Highways Agency (HA) is an executive agency of the Department for Transport (DfT). We are responsible for operating, maintaining and improving England's strategic road network (SRN) on behalf of the Secretary of State for Transport.

We have reviewed Draft Charging Schedule, Statement of Modification and do not have any comment at this time. However, we will be concerned with proposals that have the potential to impact the safe and efficient operation of the SRN and would appreciate being contacted about such in the future.

Regards

Mrs Beata Ginn, Assistant Asset Manager
