BY POST AND E-MAIL

Dear Ms Morton

Community Infrastructure Levy- Modifications/ EiP

We write on behalf of our client, the North Whiteley Consortium (NWC) relative to the above.

Having reviewed the proposed small scale modifications I can confirm that the NWC continue to support the approach taken by WCC to set a fnil CIL rate for the three strategic allocation sites within Winchester District, which include North Whiteley.

The NWC confirms its wish to be kept fully informed of all developments with the CiL examination. At this stage we would seek to continue to reserve our position to appear at any Examination in Public.

Should you require any further information regarding this submission please feel free to contact me.

Yours sincerely

Adrian Barker
Associate Director

Cc North Whiteley Consortium
