## Sleepers Hill Local Area Design Statement (LADS)

### The Town and Country Planning (Local Development) (England) Regulations 2004

#### Regulation 19 – Adoption Statement regarding Supplementary Planning Document

Winchester City Council has produced and adopted a Local Area Design Statement for Sleepers Hill, Winchester which identifies design criteria against which planning applications in the area will be assessed.

The Sleepers Hill LADS is a Supplementary Planning Document that supplements the Winchester District Local Plan Review (WDLPR 2006) and, in due course, the emerging Winchester District Local Development Framework (WDLDF).

The document was adopted as supplementary to the Winchester District Local Plan Review by the Council on 17 January 2007, following the 6-week consultation period held in the summer of 2006.

The LADS incorporates within it a Statement of Public Consultation, which outlines the main issues raised in the consultation exercises and how the Council has addressed these issues in the final document. This Statement appears as Appendix 1 to the LADS, and fulfils the requirements of Regulation 18(4)(b) of the above regulations.

Any person aggrieved by the adoption of the Sleepers Hill LADS may apply to the High Court for permission to apply for judicial review of the Council's decision to adopt it. Any such application for leave must be made promptly and in any event **not later than 3 months after the date of this notice.**
