**Proposal:** T1 - 1No Ash located adjacent property - a lapsed pollard; seeking permission to re-pollard to secondary pollard points; See photographs. The tree overhangs residential property and also overhangs oil tank; reduction has been considered, however, there are minimal growth points to reduce back to as it has a lion-tail habit.  
T2 - Ash located adjacent T1 overhanging driveway - 2 metre tip reduction feathered into top; the tree overhangs area where vehicles are parked - this would reduce the end weights and potential failure of limbs over the driveway.
