Case Officer: Verity Osmond

Applicant: Mr Dan Hughes
Proposal: (RETROSPECTIVE) - We are applying for retroactive planning for our outdoor gym bars and small garden office building for occasional work from home usage. Despite doing extensive research which led us to believe this fell fully into permitted development rights, we have subsequently learnt about a 35yr old clause in the developers contract around "article 4". Hence entering this application now. If we had know about it, we would have applied in advance. The gym equipment has been in for just over a year, the office started being constructed, by ourselves, several weeks ago. The date entered below reflects the gym install date. We have also removed 2 pre existing garden buildings, a green house and a shed, both of which were situated where the new building is now.
