IMPORTANT NOTES

These charges have been set by the authority on the basis that the building work does not consist of, or include, innovative or high risk construction techniques (details available from the authority) and/or the duration of the building work from commencement to completion does not exceed 12 months.

The charges have also been set on the basis that the design and building work is undertaken by a person or company that is competent to carry out the relevant design and building work. If they are not, the work may incur supplementary charges.

INDIVIDUALLY DETERMINED CHARGES

If the work you are carrying out is not listed as a standard charge, the charge will be individually determined.

This method of determining the charge mainly relates to larger schemes and includes the following types of building work:

1. Single storey extensions with a floor area exceeding 100m².
2. Two storey extensions with a floor area exceeding 200m².
3. Attached or detached garages with a floor area exceeding 100m².
4. Domestic alterations where the estimated cost of the building work exceeds £75,000.
5. Any other work not described in the Schedule of Fixed Charges.
6. A reversion charge for all project types.

If your building work is defined as required an individual assessment of a charge you should contact the following:

Chris Griffith-Jones, Head of Building Control on 01962 848151, Graham Walsgrove Building Control Team Manager on 01962 848353 or Derek Philpot Building Control Team Manager on 01962 848171 who will advise on the appropriate level of charge. Alternatively email:
