Proposal: To fell 1 Horse Chestnut tree located South West of the property on the boundary between said property and The Old Estate Cottage, SO21 3JL. The tree is now encroaching on both properties and pushing up against our chimney and South facing elevation. It is causing damp and wear on our chimney and wall and preventing maintenance of the building. The base of the tree is only 6 feet from the wall of the house and we are concerned about underlying damage by roots as the tree is now large.
