HAVE YOUR SAY ABOUT CENTRAL WINCHESTER

CENTRAL WINCHESTER
REGENERATION

“The vision for the Central Winchester Regeneration area is for the delivery of a mixed-use, pedestrian friendly quarter that is distinctly Winchester and supports a vibrant retail and cultural/heritage offer which is set within an exceptional public realm and incorporates the imaginative re-use of existing buildings of historic interest.”

The formal consultation is from 11 December 2017 until 12noon on Monday 5 February 2018.

The draft Supplementary Planning Document (SPD) sets out a vision and planning and urban design framework for the future development of the Central Winchester Regeneration area (CWR area). Once finalised, the SPD will guide regeneration and ensure future development is coordinated and enhances the special qualities of the city centre.

Formal consultation comments will be reviewed before any recommended changes are considered to enable a final SPD to be adopted by Winchester City Council

More information and copies of the draft SPD and feedback form are available:
