

Town and Country Planning Acts 1990
Planning (Listed Building and Conservation Area) Act 1990

**LIST OF NEW PLANNING AND OTHER APPLICATIONS, RECEIVED AND VALID
IN PARISH/TOWN WARD ORDER
WEEKLY LIST AS AT 3 June 2018**

For Guidance

- 1 Those applications which have a **star** by them are FOR INFORMATION PURPOSES ONLY. Please see over for a list and description of application types.
- 2 If the **Grid Reference** is blank, this is because it is a property which is in the process of being entered on the Property Database for the District.
- 3 The Conservation Area only appears where the application is known to be in a **Conservation Area**.
- 4 Where the application has not been allocated to a case officer, "Team Manager " for the relevant area appears instead.
- 5 The **Publicity Period** is 21 days after the Site Notice Date or 21 days after a Press Advert date, where this has been made, whichever is the later. Applications may be determined after this date.

If you require any further information, please enquire at Main Reception, City Offices, Colebrook Street, Winchester, SO23 9LJ quoting the Case Number. We will then be able to give you the current status of the application. We are open Monday to Thursday 8.30am - 5.00pm, Fridays 8.30am - 4.30pm, excluding Bank and Public Holidays.

T1 is a large tree in the front garden, it has a large cavity at 2.5m from ground level which extends 1.5m by 1/2 metre. The tree shed over 6 large limbs and at the point of failure large wounds have been left. The overall condition of the tree is poor with an expected life span of less than 10 years. The target area is high with parking, garden use and a public footpath directly under the canopy of the tree. Given the historic limb failure and cavities noted I believe this tree to be dangerous and required felling.

Date Valid: 30 May 2018	Comments by:
Team: VANL	Decision due: 25 July 2018
	Case Officer: Stefan Kowalczyk
Applicant: Mrs Trudy Cocker	
Proposal: Mr & Mrs Cocker, in conjunction with me acting as Agent, are seeking minimal remedial work to their rear gardens 2 trees on their respective lower South-Eastern sides' 3 branches. They create a considerable amount of shade & leaf drop, as well as clearly moss issues under their respective canopies. Such work would spoil each tree's amenity value/well-being, as the house itself obscures much of the view of the lower aspect of each tree. Both have been permitted work some years ago, with the Horse Chestnut being granted about a 30% crown reduction, & the Walnut showing clear signs of professional pruning cuts too. Mr & Mrs Cocker are mindful, with my advice in mind, that this sought-after work would have a much more sympathetic impact on each tree's shape, thus less drastic than past agreed work via WCC, & negate the issues the family presently have with this space. The Walnut tree is in the far left hand corner, standing about 13.5m tall, & with a 45cm diameter. Permission is kindly sought to remove the 2 lowest South-Eastern side's branches, being about 7.5cm & 9cm thick, & both about 3m long, both right back to the tree's trunk. The Horse-Chestnut is in the same garden's far right hand corner, measuring about 16.5m tall, & about 85cm diameter. Its lowest South-Eastern branch is about 200mm thick & about 5m long. Consent is kindly sought to remove it altogether, again back to the trunk. These proposals are hereby submitted for your consideration please. Many thanks.

Proposal: 2 no. Willow. Fell. The area belongs to the County Council and they pollarded them the year before last as they were leaning far over the road. The recently formed Clausentum Road Conservation Group are trying to improve the whole site for environmental reasons. The problem with these willows is that they have got too big for the position they are in and they are a constant nuisance as we all try to keep them under control. They become oppressive as well as endangering cars and people when the branches grow as they do about ten feet a year. We realise we need County Council permission as well.
