

Business Customer Permit Application Form

e-mail permits@winchester.gov.uk

Please complete this form if you are an owner/manager/suitably authorised employee of a business wishing to apply for, or renew, a Parking Permit for **customer use**. Applications may only be made by businesses whose premises are situated in the parking permit zones.

Businesses are entitled to apply for Customer permits as follows:

- Businesses in the Inner Area (Zones B, C, M, N, P, Q, R and S) may apply for **ONE** Customer permit enabling the bona fide customer to park in the same zone as the business premises for no longer than **ONE HOUR** in any one day.
- Businesses in the Outer Area may apply for up to **FIVE** Customer permits enabling any bona fide customer to park in the same zone as the business premises for no longer than **FOUR HOURS** in any one day.

Permit users must park in accordance with normal parking regulations. In particular, during controlled hours, they may only park in designated resident permit parking bays. Vehicles must not park on the pavement or block other resident's driveways. **The permit is not valid in any of the city car parks.**

It is a requirement of the regulations that the permit is displayed on or adjacent to the nearside (i.e. passenger's side) of the front windscreen, in such a manner that the particulars are clearly legible from outside of the vehicle.

These permits do not allow parking in contravention of yellow "No Waiting" lines and failure to comply with any of these conditions may result in the issue of a Penalty Charge Notice. On street parking in Winchester, particularly in the city centre, is very limited and the provision of a permit will not guarantee that a space will always be available in the desired location.

In applying you accept responsibility for explaining the conditions of use for the permits to the users.
