Please complete this form if you are an owner/manager/suitably authorised employee of a business wishing to apply for, or renew an All Zones Business Parking Permit. Applications may be made by any business for use by any personnel of that business for attending at a customer's premises.

Business Permits (All Zones) will allow the holder to leave any passenger or goods vehicle (*with an unladen weight of 2 tonnes or less and not exceeding 6 metres in length*) in parking places within any Winchester permit parking zone.

Available parking places include:

- those reserved for on-street parking permit holders
- 1 hour shared use bays (Available for limited waiting with permit holder exemption) – Business All Zones Permit will exempt only up to 2 hour limit
- On-Street Pay and Display Bays in the following locations – Business All Zones Permit will exempt only up to 2 hour limit. **No payment is required.**

Water Lane (*Shared Use - Zone B*) (8am-6pm)

Parking in any location is limited to no more than 2 hours in any 24 hour period and for the purpose of attending a customer's premises located within the permit parking zone relevant to the parking location.

All Zones Business Permits may not be used for staff parking in bays situated near to your business address. The permit holder must park in accordance with normal parking regulations. You must not park on the pavement or block resident's driveways and the permit is not valid in any of the city car parks.

It is a requirement of the regulations that the permit be displayed on or adjacent to the nearside (i.e. passenger's side) of the front windscreen, in such a manner that the particulars are clearly legible from the outside. This permit is not "vehicle specific" and as such can be displayed in any vehicle used by the holder.

These permits do not authorise parking in contravention of yellow "No Waiting" lines and failure to comply with any of these conditions may result in the issue of a Penalty Charge Notice. On street parking in Winchester, particularly in the city centre, is very limited and the provision of a permit will not guarantee that a space will always be available in the desired location.

In applying, you accept responsibility for explaining the conditions of use for the permits to the users.
