### E. GROUNDS AND FACTS

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal?

Yes  No

(a) That planning permission should be granted for what is alleged in the notice.

The facts are set out in

the box below

The appellant and his family, Sarah his wife and children Bobby James (d.o.b 6/9/11), Cella Roase (d.o.b. 10/1/14) and Emily Sarah (d.o.b. 28.12.15) prior to moving to the appeal site has no alternative accommodation relying on doubling up on friends and relatives sites. Without a permanent base the children would be unable to access education. The family fall within the planning definition of Gypsy/Traveller as set out in the PPTS. Bobby undertakes landscaping work which includes drawings and footpaths. He can be away from the site for a month at a time as he leaflet drops areas to advertise his services as well as placing boards outside properties where he has undertaken work.

The LPA reply upon a previous inspectors' appeal decision having regard to the appeal site and adjoining land on the basis that the inspector found in her opinion that the land was located in an unsustainable location and that the use of the site would be harmful to character and appearance. However, it is inevitable that Gypsy/Traveller sites will be located in rural area away from villages, as

indeed are other such sites in Winchester City Council area. Clearly the use of the appeal causes some harm to the character and appearance of the area, but it is not considered that this is so harmful to warrant the dismissal of this appeal.

The LPA refer to their site allocation document and that they have identified a 5 year supply of pitches to meet the need for Gypsy/Traveller pitches. The appellant and his family are part of the need. When Council officers have referred to sites being available the appellant has said could they go to such sites however they have been advised that the sites are not available.

- (b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact.
- (c) That there has not been a breach of planning control (for example because permission has already been granted, or it is "permitted development").
- (d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice.
- (e) The notice was not properly served on everyone with an interest in the land.
- (f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.
- (g) The time given to comply with the notice is too short. Please state what you consider to be a reasonable compliance period, and why.

The facts are set out in

the box below

The time for compliance with the notice if the ground (A) appeal fails is far to short as there are no alternative sites available for the appellants and his family. A period of 12 months is Sought

## F. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations
2. Hearing
3. Inquiry

You must give detailed reasons below or in a separate document why you think an inquiry is necessary. The reasons are set out in

the box below

We consider that a public inquiry should take place so that the appointed inspector can be satisfied with Gypsy/Traveller Status can for witnesses to be cross examined with regard to the issues raised by the LPA as being the reasons for serving the enforcement

- (a) How long do you estimate the inquiry will last?
- (b) How many witnesses do you intend to call?
- (c) Is there any further information relevant to the inquiry which you need to tell us about? Yes  No

## G. FEE FOR THE DEEMED PLANNING APPLICATION

1. Has the appellant applied for planning permission and paid the appropriate fee for the same development as in the enforcement notice? Yes  No
2. Are there any planning reasons why a fee should not be paid for this appeal? Yes  No

If no, and you have pleaded ground (a) to have the deemed planning application considered as part of your appeal, you must pay the fee shown in the explanatory note accompanying your Enforcement Notice.
