YOUR COMMENTS ON THE CASE

In their letter to me dated 12 October 2018 Winchester City Council informed me of the appeal made by Mr Oakley against the enforcement notice relating to the 'Texas Drive' development.

As a local resident I share the feeling of incredulity and exasperation of the local community at the seemingly wilful disregard by the Appellant for the very reasonable planning permission granted by the Council, and for the genuine concerns of the local community.

It is a great pity that this long running saga has reached such a troublesome impasse when a perfectly reasonable way forward was available to the Appellant and one which would have satisfied the concerns of the vast majority of the local community.

In all of the circumstances I can see no other way forward for the Council but to implement the terms of the Enforcement Notice. The community must have confidence in the planning process and the rules based order which the vast majority of us cherish and live by.
