

Newlands Parish Council Tax Precept 2019/20

On Council Tax bills issued to the properties in Newlands Parish, it will show that there has been an overall increase of 7.2% from 2018/19 to 2019/20. This total increase is using the following information:

Newlands Band D figures used for illustration

There was no Newlands Parish Precept in 2018/19 so the bill does not show a ‘% Change’ next to these figures and the overall increase takes in to account the change from £0.00 (in 2018/19) to £51.53 (in 2019/20). However, as you were previously paying Council Tax on a property in either Denmead or Southwick and Widley, the % change in your Council Tax is actually like this:
