

Town and Country Planning Acts 1990  
Planning (Listed Building and Conservation Area) Act 1990

## LIST OF NEW PLANNING AND OTHER APPLICATIONS, RECEIVED AND VALID IN PARISH/TOWN WARD ORDER

WEEKLY LIST AS AT 1 September 2019

For Guidance

- 1 Those applications which have a **star** by them are FOR INFORMATION PURPOSES ONLY. Please see over for a list and description of application types.
- 2 If the **Grid Reference** is blank, this is because it is a property which is in the process of being entered on the Property Database for the District.
- 3 The Conservation Area only appears where the application is known to be in a **Conservation Area**.
- 4 Where the application has not been allocated to a case officer, "Team Manager " for the relevant area appears instead.
- 5 The **Publicity Period** is 21 days after the Site Notice Date or 21 days after a Press Advert date, where this has been made, whichever is the later. Applications may be determined after this date.

If you require any further information, please enquire at Main Reception, City Offices, Colebrook Street, Winchester, SO23 9LJ quoting the Case Number. We will then be able to give you the current status of the application. We are open Monday to Thursday 8.30am - 5.00pm, Fridays 8.30am - 4.30pm, excluding Bank and Public Holidays.

**Applicant:** Rina Hall

**Proposal:** Fast growing Conifer like trees, originally erected to create boundary hedge are overgrown. The property was derelict for several years and the trees have overgrown and are restricting growth and health of broadleaves, and pre-existing trees within the boundary. Maintenance of the boundary above 2metres is restrictive and difficult.

The Boundary line is approximately 60metres and there are approximately 8 trees within this application currently in excess of 5-7metres tall.

Tom Fisher a local Tree Surgeon has visited the site and quoted for reducing the heights by 30% and trimming back extended branches to create a neater and more

maintainable line from both sides of the boundary. He has advised that initially the reduction will expose darker areas where leaf growth has not been able to develop but hopefully over time this will reduce, he has also advised that with any action involving reduction there is a risk that the trees may not fully grow back again. Because the boundary adjoins the graveyard in the event that this were to happen we would seek to replace the existing screening with new planting or fencing should planting prove obstructive.

**Case Officer:** Lloyd Fursdon

**Applicant:** Mr Kevin Jenkin

**Proposal:** The intention is for the trees numbered T46 to T50 and T57 to be removed as they are in the way of a proposed highway project. The project aims to provide a wider footway along Romsey Road. The footway is currently narrow and is heavily used by school children walking to and from Kings School. The trees have been assessed and are considered to be of low amenity value. The intention is that they will be felled by tree

surgeons early in the new year. The trees are situated on the highway boundary, or within the highway.

As part of the project the trees will be replaced by new specimens of an appropriate type in nearby locations. Replacement is likely to take place in the winter of 2020.
