

Winchester Older Person's Partnership

What we are for

The Winchester Older Person's Partnership is a networking group of interested organisations and individuals working together to improve the lives of older people in Winchester meeting with the support and encouragement of Winchester City Council.

Aims

- To share knowledge of and promote activities, initiatives, projects and events designed to support and benefit older people in the Winchester District
- Look for opportunities to share resources, data, collaborate and avoid duplication of effort around the support of older people in the Winchester District.
- Engage with Winchester City Council with a view to making it aware of, and securing its support for activities, initiatives, projects and events designed to support and benefit older people in the Winchester District.

Membership

Any charity, voluntary organisation, not-for-profit or public sector agency or individual based, working or living in Winchester District who shares the stated aims and goals and whose participation is supported by the WOPP. In addition, to relevant companies who support and work to improve the lives of older people in Winchester, with the understanding and agreement that the partnership is not a forum for self-promotion.
