YOUR COMMENTS ON THE CASE

I am the ward councillor for Curdrige and spoke against the application at the planning committee. You will have seen in the minutes my main objections. What I wish to emphasise is that as a council we are strongly in favour of biodiversity and maintaining natural habitats. There is a large expanse of open ground running between Hillside and Lockhams Road. Pictures presented by Southern Planning Practice show this clearly although some do diminish the actual extent because of the viewing points. A garden area is totally out of keeping within this area. Southern Planning Practice have given you ample evidence and quotes from Local Plans etc which I fully support.
