

ESTATES PORTFOLIO PLAN 2017/18

Cllr Steve Miller

'As Portfolio Holder for Estates I am committed to ensuring that the Council makes best use from the assets and properties included in its estates portfolio.'

The Council has a comprehensive Asset Management Plan which is the foundation for the investment in property over future years and will see the development of some of our assets to support the Council's priorities for the community and businesses.'

Priorities for 2017/18:

Delivering an entrepreneurial approach to efficient public services

- ♦ Seek to secure partners for a public service hub to be based around the City Offices/ West Wing/ Guildhall buildings

Winchester District will be a premier business location

- ♦ Increase office supply of 140,000ft on the Station Approach site by 2022

Improve the health and happiness of our community

- ♦ Promote active communities by prioritising sports and physical activity programmes funded from the Council's grants programme.
