Dear Nicholas

Thanks for that. I will put that in my diary and perhaps we can follow up then to see how Mr Andrews is getting on.

Hi Julie,

I'm on the emails as I'm homeschooling today ☐☐. When will the world return to normal!! .

Stephen has not given me a specific date. I can only work as fast as he is able to with this.

I'm presuming 2 weeks as I think he is quite busy right now.

Dear Mr Butler

I am writing following my site visit on Monday 1<sup>st</sup> June where I attended with Zoe Keeble (the Councils Ecologist). You advised that you had instructed a Planning agent – Mr Stephen Andrews to prepare a planning application on your behalf. You said you would let me know the timeframe for submission of that application, and what aspects of works the application will cover.

We also discussed a bonfire that had been lit at the site and I am advised that one fire was left unattended burning for a few days. Attached is a link to the Councils web site which provides details on bonfires. <https://www.winchester.gov.uk/environment/nuisance/bonfires> If you require further information please contact the Councils Environmental Health Team.

I look forward to hearing from you.
