## **YOUR COMMENTS ON THE CASE**

The enforcement notice seems entirely reasonable given Mr Butlers stated intentions to live on the site and use for purposes other than agricultural. The size of the trailer on-site is of an inappropriately large size to serve the needs of the token 6 piglets and is a eyesore which should be removed. If this enforcement notice in not enforced there is no reassurance that further damage to hedgerows and wildlife habitats would not ensue as this appellant clearly has little concern for the environment
