and select the "My Council House" button

New Users

You will need to 'Register Your Account', we will then verify your details and send you a Verification Code - once you have this you will be able to gain full access to 'Your Account' details.

'My Council House' will provide access to view and print rent statements, removing the need to continue to issue quarterly rent statements after April 2015.

However ad-hoc rent statements will remain available and can be requested through the 'Your Messages' page on 'My Council House'.

Don't have access to the internet?

Don't worry computers are available in the reception at City Offices.

You will find a **"Help & Advice"** link on the **"Login Page"** which includes user guides to help you register and some frequently asked questions.
