INTIMIDATING NEIGHBOURS, PROBLEM TENANTS OR BULLYING AT WORK?

WE CAN HELP.

LANDLORDS

Investing time with your tenants at the first sign of an issue helps ensure they feel at home making them more likely to take care of your investment.

Noise complaints, unpaid rent, property damage and pet issues can all be dealt with by our professionally trained mediators. We will work with both of you to reach a mutually acceptable resolution as swiftly as possible.

EMPLOYEES

Tried talking to your boss but they're not interested? Speaking to HR would be 'causing trouble'? Taking time off because you're scared to go to work?

Whether you're experiencing bullying, stress, sexual harassment, a lack of support or an unrealistic workload, we can support you. Our professionally trained mediators have a 95% success rate. Talk to us in confidence.

EMPLOYERS

Tribunals can be financially crippling and are detrimental to your reputation.

We can help resolve allegations of bullying, sexual harassment, constructive dismissal and other causes of work-related stress without costly solicitor bills.

NEIGHBOURS

Disagreements with neighbours make you feel vulnerable, stressed and worried. Don't suffer in silence.

Tried talking to your neighbour and been ignored? Got some way towards a solution but can't resolve it entirely? Can't speak to your neighbour at all?

We can help, in total confidence and without costly solicitor bills. All our mediators are professionally trained and we've been helping resolve issues between neighbours for over 15 years.
