13/09/2019	Sustainability	Include new Leisure Centre in the Council's carbon calculation	The WCC Carbon Neutrality Plan deals with this; the figures for the Leisure Centre have been sent to WCC Estates to feed in
13/09/2019	Sustainability	Can Everyone Active secure energy provision from a renewable source?	Everyone Active have advised they have an energy supplier they are contracted to, part of the supply is renewable, part isn't
17/11/2020	Visual Impact	Will the appearance of the new roundabout and street furniture be improved as a gateway into the city, including increasing biodiversity?	The design of the roundabout required Hampshire County Council approval which limited what was possible in relation to safety and future maintenance liabilities, however we will ask whether planting on the roundabout will be allowable. Once the landscaping on the Sport and Leisure Park site is planted this will improve the appearance.
17/11/2020	Visual Impact	Are the landscape management plans for the leisure centre to include the east and north elevations?	The main focus of the landscaping will be surrounding the car park at the front of the building, there is limited room for planting on these elevations. There are some existing large trees on the eastern elevation which have been retained.
