#### **St Giles Hill Neighbourhood Design Statement (NDS) Adoption Statement**

A Neighbourhood Design Statement (NDS) has been produced for the neighbourhood of St Giles Hill which identifies design criteria against which planning applications in the area will be assessed. The St Giles Hill NDS (2011) has been revoked and replaced.

Winchester City Council adopted the St Giles Hill NDS as a Supplementary Planning Document to the Winchester District Local Plan on 7<sup>th</sup> December 2020 following a public consultation period in spring 2020. Modifications made following these consultations can be found in the report to Cabinet on 7<sup>th</sup> December 2020 ([DD21](#)). The NDS incorporates within it a statement of public consultation, which outlines how the public was involved in the consultation on this document.

The final version of the St Giles Hill NDS is now available to view on Winchester City Council's website via the link below:
