

## **Introduction**

Winchester City Council recognises the important role that community & voluntary organisations have in delivering key services to the people and communities of the Winchester District. As such the Council's grant funding programme is aimed at supporting voluntary and not-for-profit groups and organisations in the District that can clearly demonstrate how their services and projects help deliver a cohesive, sustainable, resilient community.

In 2020/21 the Council is providing a number of grant funds:

- Priority Outcomes Fund (2019-2022)
- Small Grants (District and Town Forum)
- Crowd Funding

Each fund has a specific application process, and some differences with regard to whom is eligible to apply, but the outcomes sought from the grants programme apply to each fund.

## **Town Forum small grant scheme 2020/21**

### **Introduction**

This funding scheme is designed to provide small-scale, one-off grants to local groups and organisations. This funding stream is targeted at activities which require one-off expenditure or initial set up/pump-priming costs. Examples of eligible costs include new or start-up equipment, set up costs for new groups, special events and activities. Organisations should demonstrate community benefit when applying. The application process aims to be as straightforward as possible to encourage small and new groups to apply.

Organisations may apply for a one-off small grant, up to a maximum of £500, one grant per financial year.

Should your application be eligible and suitable for funding we would like you to attend a virtual panel meeting in order for us to have a brief discussion with regards to your application.
