

LEAP - The Energy and Money Saving Service

**FREE
FOR YOUR
TENANTS**

Extra support is now available to Landlords through **LEAP's** (Local Energy Advice Partnership) new **Local Authority Delivery (LAD)** programme.

HOW IT WORKS:

LEAP provides a free in-depth advice call to provide energy advice and support to your tenants and can also identify potential energy efficiency measures to receive grant funding through the new **LAD** programme.

THE NEW LAD PROGRAMME CAN:

- Provide grant funding of **up to £10,000** for larger energy efficiency improvements such as solid wall insulation and low carbon heating
- Provide grant funding for **additional energy efficiency measures** where suitable.

FUNDING:

- The **LAD** programme funding is provided by the **Green Home Grants** Local Authority Delivering funding
- Landlords are required to contribute up to 1/3 of the costs of the improvements made.

Call us now on 0800 060 7567*

(Freephone) to book your appointment, or apply online:

*8:45am-7pm Monday to Friday, and 9am-12pm on Saturdays.

ELIGIBILITY

Your tenants may be eligible for the new LAD programme funding within LEAP if:

- they have a low household income of less than £30,000
- the property has a poor EPC rating of E, F or G
- the property is suitable for the energy efficiency measures to be installed (if the property is technically non-viable you will be informed).
