NEWLANDS COMMUNITY NEWSLETTER

Welcome to the Newlands community newsletter! Find out what's going on locally and keep up to date with news from the development and the wider Waterlooville area.

As the lighter mornings and brighter evenings replace the winter gloom we can begin to look forward to the easing of lockdown restrictions over the next few months. Perhaps there is finally some light at the end of the tunnel!

We have some cracking Easter activities planned across the development during the holidays so please be sure to check out what is going on and remember to get involved.

BEREWOOD UPDATE

Our website has had a makeover! You can find out more about the development including site maps and timescales at www.berewoodhampshire.co.uk

You can also follow us on social media for the latest updates: Instagram & Twitter @berewoodhants Facebook.com/berewood

The rebuilding of the River Wallington is in its final stages with planting taking place along the river. Originally a concrete culvert, we have widened the river, planted up the banks with varieties to support local wildlife, and installed accessible paths. All work should be complete in the next couple of months (weather permitting!) but areas of the river are now accessible for walks in the Spring sunshine.

We have planning applications awaiting approval for improvements to the Berewood Community Nature Reserve which runs down the entire western edge of the development, and the second phase of Berewood Town Park which includes a state-of-the-art cricket pavilion. You can view details of all planning applications via the Winchester Planning Portal: www.winchester.gov.uk/planning

PIZZA DRAWING CHALLENGE

Thank you to everyone who tried to get a 'pizz-a' the action and entered into our Pizza Drawing Challenge! Residents at Wellington Vale Care Home were spoilt for choice when selecting the winners. However, we 'kneaded' a winner! Congratulations to:

Adult winner - Pamela Coleman

Children's winner – Riley Bloom

WILDLIFE WATCH

Whether it's a badger on your drive, deer seen from your back window, water voles in the suds, or even toads using their crossing - we want to hear from you!

Keeping track of our the wildlife on the development not only allows us to understand the local biodiversity but can also be a great way to liven up walks. Follow tracks, study the skyline and listen out for all manner of chirps, rustles, squeaks and shrieks in order to witness the wild world on your doorstep.

We'd love to share photos and residents experiences with the wildlife around the area.

Send any content to Katie to include in future newsletters.

YOUR PLACE YOUR PLAN

Winchester City Council is inviting public feedback on the potential Strategic Issues and Priorities for a new Local Plan which will cover the district outside of the South Downs National Park. The council is inviting views from residents, businesses, parish councils, community groups, and from anyone with an interest in the district, Including those living or working in the South Downs National Park, about what is important to them. Tell us your thoughts on key themes including carbon neutrality, the need for housing, jobs, shopping, transport and other infrastructure, and community facilities as well as how best to protect our rich built and natural heritage. We encourage you to look at our new Local Plan website www.localplan.winchester.gov.uk, where you can sign up for one of the virtual sessions we are hosting at different times of the day and you can give us feedback on the Strategic Issues & Priorities Document and keep up to date with progress on the preparation of our new Local Plan. The consultation is open until midnight on the 12th April 2021.
