

SUNNINGDALE MOBILE HOME PARK SITE RULES

In these rules:

- “occupier” means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement
- “you” and “your” refers to the homeowner or other occupier of a park home
- “we” and “our” refers to the park owner.

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

None of these rules is to have retrospective effect. Accordingly:

- they are to apply only from the date on which they take effect, which is 4 February 2015; and
- no occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

1. Children under 18 years of age are not permitted to reside on the Park.
2. Occupiers will be held responsible at all times for the conduct of their visitors, including children.
3. No Cats or Dogs are permitted.
4. You must not keep any Pet or Animal at the Park Home or on the Pitch except those which are housed in a cage, aquarium or similar, and remain at all times within your Home.

Note

The express terms of a homeowner’s agreement contain an undertaking on the part of the homeowner not to allow anything which is or becomes a nuisance, inconvenience or disturbance to other occupiers at the park and this undertaking extends to the behaviour of pets and animals. A similar requirement not to cause a nuisance applies to tenants and again this includes the behaviour of pets and animals.

Note

These rules do not have retrospective effect. If the keeping of the pet complied with the previous rules, an occupier will not be treated as being in breach when these rules take effect. However, when the pet dies or leaves it can only be replaced if this would comply with these rules.

5. Nothing in rule 3 or 4 of these Park Rules prevents you from keeping an assistance dog if this is required to support your disability and Assistance Dogs UK or any successor body has issued you with an Identification Book or other appropriate evidence.
6. For reasons of ventilation and safety you must keep the underneath of your home clear and not use it as a storage space.
7. Only rotary clothes lines are permitted.
8. Access onto individual Pitches may be required by the Site Owner or their Agents for the removal or replacement of other Homes on the Park. Occupiers must not do anything that may prevent or hinder any such movement.

13. You must drive all vehicles on the park carefully and within the displayed speed limit.
14. You must not park on the roads or grass verges.
