Hi Fiona,

██████████ has just called and is concerned that we may be soon out of time to serve on the COU (by 13.2.2020). He does not recall or can find this email in his archive. ██████████ has only just produced it. Could we aim to get the notice issued and served before the 13th.

Dear Sarah Castle.

I have been going through my paperwork and found the attached copy of an email which was supposedly sent to me 2/2/2010.

I have checked my email archives and there is no record of it received in my inbox.

██████ has led us all to believe the caravan came on site at the end of December 2010 and occupation was from January 2011, which I always believed to be true. However in light of the attached email I am wondering if this is a true copy and it will be produced at a later date as evidence that the caravan is immune from enforcement

Having the benefit of this information may I suggest it would be prudent to serve an ENF before Feb 9th 2020

Kind regards
