

At Powerplay, we're experts at running small-sided football and netball leagues. You bring your team, and we provide everything else. But why join one of our leagues?

**Everyone is Welcome** – our leagues may be competitive, but everyone is here to play and have a good time. Our friendly dedicated event staff are always on hand to answer any questions you have and ensure you are getting the most from your weekly game.

We pride ourselves on our **Weekly Game Guarantee** – making sure you have a regular, consistent game against a team of a similar standard to give you the best possible experience.

We work with our partner venues to make sure we have a **Safe Environment** – whether it be ensuring we are playing in line with the latest COVID guidance or being ready to assist in the event of an injury, you can relax knowing that we take good care of all our players.

It's been proven that our football and netball leagues are not only good for your **physical health** but also your **mental health** – exercise and interacting with others in team sports are a fantastic way of looking after yourself and others. As part of the wider Powerleague group we work closely with a number of organisations raising awareness of mental health challenges and the positive influence sport can have on this.

We've been running leagues across the **UK for over 20 years** and know how to get them just right. Each of our leagues is looked after by a team on the ground as well as one of our League Managers who is your point of contact for any questions or feedback you have.

And don't forget our **Refer a Team offer!** If you refer another team to join one of our leagues we'll not only give them 50% off their first game but we'll give you £50 too!

To join our leagues, visit our web site here: <https://powerplay.co.uk/football/Winchester/River-Park-Leisure-Centre-Cs> call Dan on **07917 681098**
