### **Adoption of Supplementary Planning Document (Regulation 14)**

#### **Colden Common Village Design Statement (VDS) Adoption Statement**

A Village Design Statement (VDS) has been produced for the Parish of Colden Common which identifies design criteria against which planning applications in the Parish will be assessed.

Winchester City Council adopted the Colden Common VDS as a Supplementary Planning Document to the Winchester District Local Plan on 7<sup>th</sup> February 2022 following a public consultation period in spring 2021. Modifications made following these consultations can be found in the report to the Cabinet Member for the Built Environment Decision Day meeting of 7<sup>th</sup> February 2022 ([DD35](#)). The VDS incorporates within it a statement of public consultation, which outlines how the public was involved in the consultation on this document.

The final version of the Colden Common VDS is now available to view on Winchester City Council's website via the link below:
