Some feedback

- 1. If I need help in the future I trust you may still be working there but in the meantime thank you for the manner in which you have dealt with this and wish you every success whatever you do in the future, the qualities you possess means any company you work for will be lucky to have you.*
- 2. I do believe that people sometimes don't get the recognition they deserve for all their hard work. So I really wanted to write a few words as I believe the team at Winchester council have been simply wonderful! I wanted to convey that I truly recognise all their efforts and hard work.*
- 3. I cannot thank you enough for all of your support, without it, I wouldn't like to imagine where I would be currently.*
- 4. I would like to thank you for all your hard work and fantastic support you have given me over the last 18 months, especially with my mental health.*
- 5. Without you supporting me I wouldn't be here as I feel there is not enough help for people like me. You have gone above and beyond for me and would like this recognised. You are a credit to Winchester City Council and a hidden hero.*
- 6. I appreciate everything you have done for me and I am so glad there are people like you working for Winchester city Council who have taken the time to help me, without you tenants would struggle very badly and bury*
