E. GROUNDS AND FACTS

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal? Yes No

(a) That planning permission should be granted for what is alleged in the notice.

(b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact.

(c) That there has not been a breach of planning control (for example because permission has already been granted, or it is "permitted development").

(d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice.

The facts are set out in

the box below

I have been storing wood and/or machinery on the land since before 2012.

(e) The notice was not properly served on everyone with an interest in the land.

(f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.

The facts are set out in

the box below

The land has been used for storage for many years and it is not necessary to remove the hardstanding and lay topsoil with grass.

(g) The time given to comply with the notice is too short. Please state what you consider to be a reasonable compliance period, and why.

The facts are set out in

the box below

I shall require more time to remove and relocate the considerable amount of wood stored on the land and thereafter to carry out all of the works listed at section 5 of the enforcement notice which includes the demolition of a building.
I submit that the compliance period should be 12 months.

F. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

(a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? Yes No

(b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? Yes No

Please explain.

To see the commercial activities being undertaken on neighbouring land, to view the considerable volume of wood stored and to consider the extent of works required by section 5 of the enforcement notice.

2. Hearing

3. Inquiry

G. FEE FOR THE DEEMED PLANNING APPLICATION

1. Has the appellant applied for planning permission and paid the appropriate fee for the same development as in the enforcement notice? Yes No

2. Are there any planning reasons why a fee should not be paid for this appeal? Yes No

If no, and you have pleaded ground (a) to have the deemed planning application considered as part of your appeal, you must pay the fee shown in the explanatory note accompanying your Enforcement Notice.

H. OTHER APPEALS

Have you sent other appeals for this or nearby sites to us which have not yet been decided? Yes No
