- Rule 6 (6)

What kind of representation are you making?

- Final Comments
- Proof of Evidence
- Statement
- Statement of Common Ground
- Interested Party/Person Correspondence
- Other

YOUR COMMENTS ON THE CASE

Why are on earth should we be expected to suffer further damage to the environment in what was once idyllic countryside with the further expansion of the industrial wasteland that this area has become. And why should the appellant be given any time whatsoever to remove the things he has erected without authorisation - they should be gone immediately and all of this added pollution and environmental damage should be removed and / or made good for the benefit of the residents of and visitors to Shedfield.
