YOUR COMMENTS ON THE CASE

I am writing to express my objection against the additional business of a woodyard to the equestrian centre at Botley.

- . Concerns over the management and care of the land.
- . Ancient Woodland already being misused and badly damaged.
- . The volume and weight of lorries needed to carry wood through an already small overused business centre.
- . Road traffic would increase with heavier lorries turning into a very small lane.
- . Dangerous for businesses already there.
- . Increase volume of traffic on a busy road causing risk of accidents to increase .
- . The noise of machinery and dust created would be harmful to community and wildlife.
- . The concern of limitless new businesses being possibly allowed to develop on agricultural land?
