Ref: Updated Representations on Winchester District Local Plan Part 1 - Joint Core Strategy

Dear Madam,

Please find enclosed Updated Representations from CPRE Hampshire relating to Winchester's District Local Plan Part 1 - Joint Core Strategy

We have Updated Representations on the following areas;

- Natural environment and countryside
- Windfall allowance

As the changes to Guidance made by the National Planning Policy Framework are significant, especially in relation to a windfall allowance, and for convenience of the Inspector and others, these Updated Representations are designed to completely replace our original Representations

Further, having carefully read and studied also the updating comments of

- Save Barton Farm Group and
- Winchester City Trust

CPRE Hampshire hereby states that it fully supports and adopts the contents of these additional comments

Yours faithfully
