Winchester District Local Plan Part 1 - Joint Core Strategy

Dear Rosemary,

Thank you for your letter received on 2nd July 2012.

Will you please consider and adopt the following comments and updates in light of the Council's Schedule of Modifications Modification No. 25, Page No. 25, paragraph 2.34 - **High Quality Environment** objectives.

Bullet Point 1 :-

The addition of "...environment of the District as a special place *whilst respecting its setting within the South Downs National Park*" reads as if the District is set within the National Park.

To avoid confusion or misunderstanding please amend the wording to -

"...environment of the District as a special place. *Changes within the South Downs National Park must respect the settings they are in.*"

Bullet Point 3 :-

Please add -

"... green links and wild life corridors, *especially those that have been awarded Omission Site status in recognition of protecting the rural images of villages that have habitats of rare wildlife species and adjacent lanes that meet the requirements of Page No. 24, paragraph 2.34 Bullet Point 1*".

Thank you

Yours sincerely
