E. GROUNDS AND FACTS

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal? Yes No

(a) That planning permission should be granted for what is alleged in the notice.

The facts are set out in

the box below

Planning permission should be granted as there has been no local need for an agriculturally tied dwelling in the area for many years. Several properties have had their ties lifted as there is no demand. Green Close does not have sufficient land to be viable as an agricultural unit. This property has not housed anyone that met the condition attached to permission 86/01902/OLD for a period in excess of 10 years. Ground (d) is also pleaded as part of this appeal.

(b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact.

(c) That there has not been a breach of planning control (for example because permission has already been granted, or it is "permitted development").

(d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice.

The facts are set out in

the box below

This property gained planning permission for an agricultural tied dwelling by the son of the occupants of the dwelling known as Green Close. The parents main income derived from contracting and after retirement they remained in occupancy. The breach of planning began in June 1988.

- (e) The notice was not properly served on everyone with an interest in the land.
- (f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.
- (g) The time given to comply with the notice is too short. Please state what you consider to be a reasonable compliance period, and why.

F. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

(a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? Yes No

(b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? Yes No

2. Hearing

3. Inquiry

G. FEE FOR THE DEEMED PLANNING APPLICATION

1. Has the appellant applied for planning permission and paid the appropriate fee for the same development as in the enforcement notice? Yes No

2. Are there any planning reasons why a fee should not be paid for this appeal? Yes No

If no, and you have pleaded ground (a) to have the deemed planning application considered as part of your appeal, you must pay the fee shown in the explanatory note accompanying your Enforcement Notice.
