Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal?

Yes No

(a) That planning permission should be granted for what is alleged in the notice.

(b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact.

(c) That there has not been a breach of planning control (for example because permission has already been granted, or it is "permitted development").

(d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice.

(e) The notice was not properly served on everyone with an interest in the land.

(f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.

The facts are set out in

the box below

Due to the lack of warehouse storage of this size in Southampton, Winchester and the surrounding areas, a change of use should help local businesses and help to keep the majority of the land agricultural.

Removing us from site and demolishing all buildings would be very disruptive to the land and surrounding buildings.

The two units take up a very small percentage of the land. A simple change of use would overcome objections. This unit is used for storage only.

We visit this site once a day Monday - Friday in the mornings. Causing zero disruption to the surrounding neighbours.

(g) The time given to comply with the notice is too short. Please state what you consider to be a reasonable compliance period, and why.

The facts are set out in

the box below

The timescale outlined is far too short.

We have been actively researching alternative storage facilities. Currently there is no availability in Southampton, Winchester or the surrounding areas.
