

BAR END DEPOT UPDATE

Next steps for the Bar End Depot site

The Bar End Depot site in Highcliffe – covering some 2.8 acres and located between the Winchester Sport & Leisure Park and Milland Road – forms an important gateway to the city along the south-eastern side of Winchester close to the M3 motorway.

Following two rounds of public engagement in March and November last year, the Council have listened to community preferences and are now in a position to commence formal marketing of the site.

You are invited to attend a public briefing session with the Council Leader and Ward Members on Monday 4 September from 6.30 pm until 8.00pm at The Guildhall Winchester. The briefing will include feedback from the public engagement events, and an update on the proposed timetable for marketing the site this Autumn.

There will be the opportunity to ask Cllrs and Officers questions at a Q&A session from 7.00 pm until 8.00 pm. We hope you have time to attend.

We plan to share next steps at a drop-in event to be held on:
